*Your tax-deductible monthly donation would help stabilize our operation.  
This would be a big help!*

Sometime donating a little at a time is easier than making a big contribution at one time. Would you consider making a monthly donation that wouldn't make a change in your lifestyle? Ten or twenty dollars may not be missed as much in your monthly spending habits. By choosing to donate monthly to KSF, you will make a huge impact on our monthly sustainability.

KSF is reaching out to people who "get" and appreciate what we do. If you are willing to make an ongoing monthly donation we would roll your annual Kansas Explorer Club membership into this form of giving. This ACH (automated clearing house) entry from your checking or savings account is an efficient and cost-reducing alternative to a paper check and postage. These sustaining donations enable KSF to plan better to meet our budget throughout the year.

You simply fill out the form, provide us with the amount and a voided check. We'll take care of the rest.

Just fill out the other side of this page. Attach a voided check that has your bank routing number and account number in order to set up your ACH automated donation to KSF and place it in the remittance envelope. KSF will take care of the rest. Your donation to KSF will be deducted on approximately the 15th of each month. *Upon request, KSF will provide you with a receipt at calendar year end for tax purposes.*
